Cover Letter

Dear Hiring Manager,

I am writing to express my strong interest in a Mobile App Development role or any other creative and innovative opportunities within your team. As a Mobile Developer with a focus on Android, Flutter, and Kotlin Multiplatform, I have consistently delivered high-impact solutions that align with modern engineering standards.

At Techvoot Solutions, I led the transition to Android 15 compliance and architected cross-platform modules that reduced code duplication by 40%. My expertise in AI-driven development allows me to maintain high velocity without compromising code quality. I am eager to bring my technical experience in Flutter mobile app development and native integrations to your organization.

Thank you for your time and consideration. I look forward to discussing how my background can contribute to your team's success.

Sincerely,

Tushar Chovatiya
